Tudor wall paintings

Original 16th century wall paintings showing the lively patterns and decorations of a Tudor home. In the main room on the first floor, accessed by the stairs in the Left hand side of the building. Ask a staff member or volunteer to show you - they are very friendly!

The plaster of the wall panel is uneven. Which side has the biggest bulge - left or right?

Answer:

Found it! ☐

Tudor bed

An accurate replica of a real Tudor bed in what was once a real 16th century bedroom. In the front room on the top floor. Ask a volunteer or a member of staff if you're not sure how to find it - they are very friendly and happy to help!

This room has a nice view. When you look out of the window by the bed, what kind of building do you see?

Answer:

Found it! ☐

English Civil War era pistol

A real pistol from the 1640s. This type of gun would have been used in the English Civil War. On the first floor at the front of the building - turn Left at the top of the staircase. If you're unsure, ask a member of staff or a volunteer - they are very friendly!

Found it!

☐

English Civil War era helmet

A real metal helmet made in Northern Europe in the 16th-17th century. On the first floor, at the front of the building. Turn Left when you get to the top of the staircase. Ask a volunteer or a member of staff if you're unsure where to go - they are very friendly!

Found it!

☐

Wattle and Daub wall

An area of cut away wall inside our Tudor townhouse which shows this historic building method. On the Left hand wall of the main room as you walk in. Underneath the striped maypole. If you can't find it, feel free to ask a volunteer or member of staff. They are very friendly!
