Hot Seat

This activity works best in pairs or small groups

- 1) First, select **any item** from kimyo
- 2) Now, think **who** might be the owner/user of that item
- 3) You will have an opportunity to be put in the 'Hot Seat' to **answer questions in role** as the owner/user.

Think about what you may be asked – What do you use the item for? How did you become the owner/user of the item? Where do you work/live? What is life like for you?

Hot Seat

Use this space to jot down some key ideas that will help you when you are put in the hot seat, or you can record any questions that you would like to ask your partner/group when it is their turn to be in the hot seat.

A large, empty rounded rectangular box intended for students to write their notes or questions.
